## IT'S FUN LEARNING WITH NATURE!

Do you know that more than 90 percent of all living animals are invertebrates? They are here, there and EVERYWHERE...

Come join our Entopia Learning programmes that are designed to inspire learning about nature for people from all walks of life.

Let's start your nature exploration today!

## WHAT'S ENTOPIA LEARNING?

It is the mission of Entopia to be a nature learning destination. It envisions to showcase the best of the small wonders to inspire people to reconnect with nature.

As such, various nature learning programmes are offered especially to students and the general public from both local and international regions:

- Kindergarten & Primary School
- Secondary School, College & University
- Organisations & Corporations
- People With Disabilities & Senior Citizens
- Families & Friends

By educating and sharing the love for the ever-evolving natural world through Entopia Learning, we offer a variety of nature learning programmes, workshops, camps, team building programme as well as birthday, anniversary or get-together events, and more!

## WHY ENGAGE IN NATURE LEARNING WITH US?

With almost 20 years of substantial experience and excellent reputation, our nature learning programme contains nature-inspired knowledge and discovery-stimulating modules to encourage continuous learning through the *living classroom*:

Modules customised accordingly to the participants' age group and needs

Informative and intriguing hands-on experience

Facilitated by experienced and passionate Nature Educators

Conducive, learning environment with child-safe and disability friendly facilities

Multi-lingual modules in English, Mandarin or Bahasa Malaysia
